HANDBOOK : : 1947-1948

FOREWORD

This book has been compiled and published by the Senior Class of 1947, primarily for the purpose of familiarizing the students and supporters of Whitestown High School with the current school calendar.

It is hoped that in some measure, that this book will serve to enhance the spirit of loyalty and cooperation already evident among our students.

Further, we wish to express our sincere appreciation for the patronage of our advertisers, without whom the publication of this book would have been impossible.

LYLE NEAT

Lyle Neat, who is starting his second year as coach at Whitestown High School is a graduate of Butler University and Fort Wayne Central High School, where he started in basketball and baseball. He has a very impressive record, both in college and high school. He had two of Indiana's greatest coaches, Murray Mendenhall and "Tony" Hinkle as his coach during his High School and College career.

Mr. Neat spent more than four years in the United States Army and saw action in

the European Theater of War.

Lyle is well liked by everybody. He has a friendly way in which he makes many friends. Rival coaches have a fine regard for his ability to turn out fine material.

We the Class of "48" wish Mr. Neat all the success in life, and many winning teams in the near future.

The Senior Class of Whitestown wish to dedicate this book to Lyle Neat, Athletic Coach.

**A. E. Fravel, Principal
WHITESTOWN HIGH SCHOOL**

SPORTSMANSHIP

A definition of a true sportsman might be one who can "take it on the chin" and come back for more, one who puts forth his best efforts at all times, and who meets his opponents courteously, and readily acknowledges his mistakes.

Besides being courteous to our opponents, we should also be courteous to the referee because his task is a hard and thankless one. A hearty cheer for our opponents as well as our own team always promotes good feeling.

One thing which citizens need is the spirit of fair play and the willingness to give and take.

Good, hard play, tempered by fairness, courtesy, self-control, and consideration for others, will improve your body, mind and conduct.

* * *

BASKET-BALL

One of America's favorite sports, basketball, has its most ardent admirers at Whitestown. We hope to get off to a good start by winning when we travel to Carmel for our first game.

The Whitestown Panthers are fortunate in having Lyle Neat as their coach again this year. We very sincerely hope that this will be a very successful year for him at Whitestown.

Mr. Neat has several lettermen from last year's squad and several promising Freshmen and Sophomores coming on.

So we say, "More power to you, Whitestown Panthers" and may you bring to us more victories than any other team has done in the history of our Alma Mater.

LIBRARY

The aims of the library are to serve as an auxiliary to classroom work and to foster and assist in the developing of good reading habits and a taste for good literature.

To best serve the entire school the library has set up certain regulations concerning the loan and use of its books and materials. Every student must abide by the rules in order that he may receive the full benefit of the library's facilities.

Student librarians this year are: Helen Meredith, Mary Alice VanHook, Gloria Ottinger, Beverley Shanklin, Irma Hand, and Corena Bennington.

MOTHERS CLUB

The Whitestown Mothers Club was organized in October of 1946 with approximately 70 members. The membership consists of mothers who have children enrolled in the Whitestown school. The purpose of the organization has been to sponsor a hot lunch program in the school and to sponsor and encourage any movement for betterment of the school. Any patron of the school who is not a member at the present time will be heartily welcomed into the club.

* * *

SCHOOL CAFETERIA

The School cafeteria was opened to the school children the first week of school under the capable management of Mrs. Ora Baber with Mrs. Russel Blacker and Mrs. Charles Smiley as assistants. At the present time about 100 children are eating each day. The cafeteria is operated on a non-profit plan, its sole purpose being to increase nutrition of the children.

Keep in touch with this program and know what it is doing for your child.

COMMERCIAL DEPARTMENT

The Commercial Department as a whole is for the purpose of training our boys and girls in work which will benefit them when they leave high school and enter into the business of making a livelihood for themselves. The Department is divided into four fields of work.

General Business is an introductory course one which should open the whole field of business to the student. It will help the student to decide whether he is fitted for office work and what phase he should follow.

Typing is a course which will benefit any student. It will help him in getting a position after his high school course is completed.

Bookkeeping helps the student to be more neat, accurate, and thorough in all his work. It teaches him the fundamental principals of keeping double entry books for social, personal, and business purposes.

Shorthand is a highly specialized course. It trains the student to think quickly and write what he hears. It calls for accuracy and preciseness. It helps to build the student's vocabulary. After a course in high school, a student should be able to develop more speed in most any office where dictation is given.

The Senior Class has been putting out either an Annual or Senior Class Paper; thereby gaining experience in the field of Journalism. We are now planning our 1947-48 Annual.
