FOREWORD

We, the Seniors, present to you this annual as a final remembrance of what we have done in our four years at Perry Central High School. We are sure that you will enjoy it, and we think, in spite of all that we haven't done, that we can look back upon this yearbook and know that we could have done little, if any better. However, the final judge of a publication is the reader; so read on, Dear Reader, read on!

DEDICATION

We, the Class of '51, wish to dedicate and acknowledge the cooperation of the parents and teachers in their effort to give the pupils of Perry Central High School interest in their education and to make their school life a lasting and beautiful memory.

We wish to express our appreciation to all the Faculty and School Officials who have shown their interest in this class and their help in making all of our graduation activities a memory of great importance.

OUR SCHOOL

The Perry Central School, which was built in 1916, consolidated the five one-room schools in the township and started a high school. The first graduating class was in 1920. A new addition was added in 1939 when they built a modern gymnasium.

This school plant has amply supplied the needs of the high school and grades. It is used as a community center for all local organizations and functions.

SENIOR CLASS HISTORY

In the year of our Lord, nineteen hundred and forty-seven, nine green freshmen commenced their first year of high school, by choosing as their president, Richard McPeak; vice-president, Gerald Smith; secretary and treasurer, Jenny Ragan. We were unfortunate to lose three wonderful students, but learned later that they were making fine progress. Also, we were glad to welcome two new students to begin our sophomore year. This makes our present eight students. We again chose the same officers, except Bernard Smith was secretary and treasurer. We began our junior year very jolly with Mrs. McQueen being our sponsor. We elected the same class officers as the year before with the exception of Berdean Smith being our secretary and Lavern Wing being our treasurer. Our year was very successful. We made enough money to go with the seniors to Washington, D. C., and New York, where we learned several things and had a lot of fun, too. We saw several things that we wouldn't have seen otherwise. And now we are seniors. We chose Richard McPeak again as our president, Gerald Smith, vice-president; Margie Ragan, secretary; Lavern Wing, treasurer, and Jenny Ragan as our reporter. Mr. Ratliff was our sponsor. We had a senior play, which we will never forget, and ended the year by taking a trip with the juniors to Chicago.

SENIOR WILL

We, the Class of 1951, Seniors in Perry Central High School, being of sound mind, as much as usual, do declare this to be our last will and testament, and as such, these various bequests are to be made with great care.

To the Juniors we leave our ability to always agree on all things.

To the Sophomores we leave our ability to study, hoping they will do better than we did.

To the Freshmen we leave the opportunity of three more years in high school, hoping they will take advantage of it.

Richard McPeak wills his ability to get along with everybody to anyone who thinks they can do better.

Gerald wills his ability to study to anyone who thinks they can study 12 years without getting tired.

Bennie would like for some of his height to go to Lowell Wing, for he doesn't like to see Mutts run around without Jeffs.

Bernard leaves his liking for girls to anyone who is more interested in them than he.

Lavern wills his ability to do good bookkeeping work to Ronnie Hackley.

Margie wills her ability to get sixty words a minute to Bill Smith.

Berdean leaves his ability to drive to Charles Bailey.

Jenny leaves her ability of being Sunshine President to Wilma Sharp.

JUNIOR and SENIOR TRIP

This year's Juniors and Seniors decided to go to Chicago for four days instead of having a reception. The train left Lebanon at 2:50 a. m. Thursday morning and we arrived in Chicago at 7 a. m. After we were assigned our rooms in the Chicagoan Hotel and had breakfast, we went to the Stock Yards.

We took a subway to the Swift meat packing plant. We watched how they slaughter hogs and cows, and vowed we would never eat another piece of meat as long as we lived. But after watching MacArthur's speech on television, we ate lunch, and boy, did that meat taste good!

We all decided we wanted to go to see the Chicago Cubs play, so off on a street car we went to the ball park. The first inning in which the Cubs scored their only run, was over when we got there, it was not until the eighth inning when the Cubs again scored. The game ended: Cubs 3, Cincinnati 0.

We arrived at our hotel about 5 o'clock, and after we cleaned up we went out for a big dinner, and later some of us went to the show at the Chicago theater. By the time we got in bed, we were dead tired.

Friday morning we were off to the Brookfield Zoo. It was the first time a lot of us had ever been in a zoo, and boy, did we enjoy it. We remained there until one o'clock. We saw all different kinds of animals, but we especially enjoyed the monkeys. Some of us were so glad to see our "relatives" again after these many years. After lunch we went to the airport. Say, I have never seen so many planes coming in and going out at one place. Some of us took an 18-minute plane ride over Chicago. My, what fun!

We went back to the hotel and decided to go on the night tour of Chicago. I never thought there could be so many pretty and also ugly things in one city. After that we all hit the hay.

Saturday morning we went to the ABC radio station in the Merchandise Mart building, where we saw the broadcast of the Junior Junction program. Gerald and Margie were chosen to appear on the quiz. They each won a prize—Margie a pearl necklace, and Gerald some sandal shoes. After leaving the studio on our way to the Tribune Tower we saw a large freighter coming up the river. All bridges across the river had to be raised to let the steamer pass. That was quite a sight. Up in the tower you could almost see all of Chicago. After lunch we went through the large department store of Marshall Field. Then, in the afternoon we took another tour of the City. We ate dinner at a Swedish place, after which some of us saw a show in the evening.

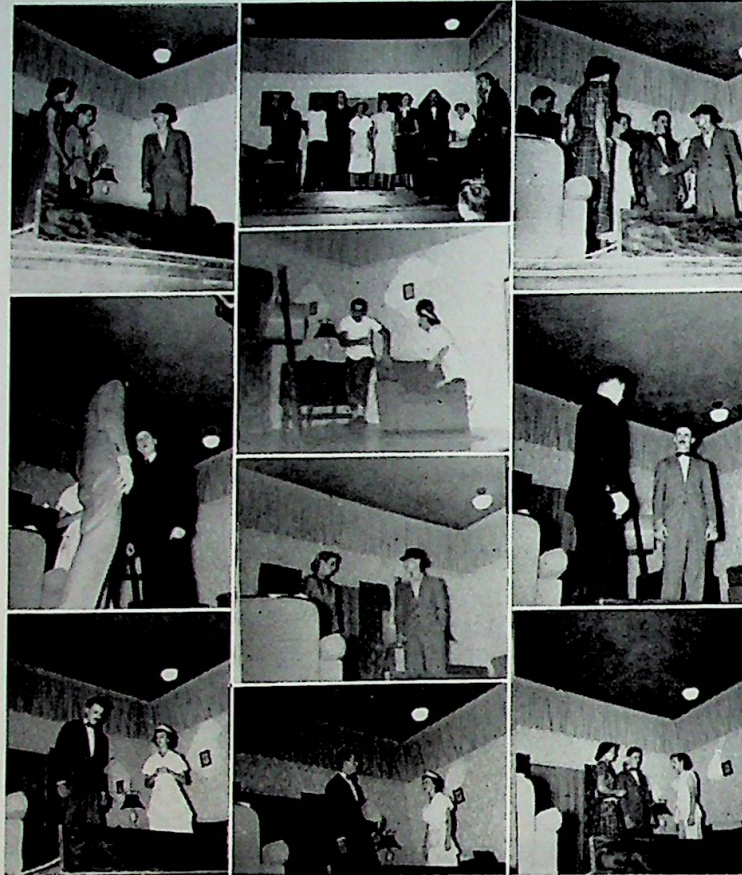

Sunday morning we were off to the church of our choice. After church we had lunch and then went through the Field Museum and the Planetarium, both of which were very interesting. That evening we had dinner, later some went to church and some to the show. We met at the Union Station at 10 o'clock. Our train left Chicago at 11 p. m. and arrived in Lebanon at 3 a. m. Monday morning.

This trip I am sure we all enjoyed, and although we may not realize now how much it means to us, in our later years I bet we all will remember the time we went to Chicago and the good times we had together.

"TAKE IT EASY" is a three-act farce-comedy, full of action and involving a number of dramatic sequences.

The seniors presented the play well, and it was a success in every way. The cast was directed by Mrs. Doyal.

SENIORS

We the Class of "51",
Have all had our fun.
And now that the end has come,
We know our work has just begun.

There's the boy they call Dick,
Who knows a lot of tricks.
And when he played ball,
He sure fooled them all.

Smitty is our handsome lad,
We hardly ever find him sad.
In his life he will be,
Something great, you will see.

Then there is Lavern,
Who is very stern.
He makes good grades and that's not all,
For you will see him in college this fall.

Bennie is always asleep in Class,
But he is not always last.
For he'd be smart if he would study,
Isn't that what you say, "Buddy"?

Berdean is one of the twins,
And you always find him full of grins.
If he played ball,
I am sure he would fool us all.

Bernard is Berdean's brother,
And he is like none other.
And since he has his glasses,
He sure can see the Lasses.

Then there is no one like Jenny,
She is no larger than a penny.
She never loses her temper,
No matter how much they tempt her.

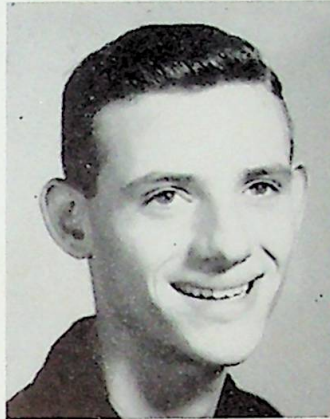

There's the girl called Margie Ruth,
Who has a temper, and that's the truth.
Her face gets red as you all know,
But yet she still tries to be bold.

And so to end this little rhyme,
Hoping all the seniors will get along fine.
In their lives we are waiting to see,
All the things they would like to be.

In the fall 18 boys went out for basketball, and from then on we had a good team. The season opened November 3, when we met Thorntown here. We defeated them 54 to 44. We won all of our scheduled games but two, which we lost to Jackson by two points, and Whitestown by 10 points. The County Tourney was played January 11, 12, and 13. We drew Zionsville, and won 60 to 56. Then on Saturday afternoon we met Thorntown and they defeated us 49 to 39. In the Sectional we drew Whitestown whom we defeated in a thrilling game, 57 to 55. Then we met Thorntown, and they again defeated us, 51 to 35. Lebanon beat Thorntown in the final game. The season's scoring was:

BASKETBALL BANQUET

On March 1, we held our Annual Basketball dinner. The athletic association and the P. T. A. jointly sponsored it. After dinner we had special music by the Tongue Twisters of Lebanon. We were very fortunate to have as our speaker, Mr. Phil M. Eskew, whom we all enjoyed. Then awards were given. Sweaters were presented to the two senior boys, Richard McPeak and Gerald Smith. The sweaters were purple with gold lettering. The two senior boys were also awarded small trophies by the P. T. A. A trophy was given to the player who had the best percentage of foul shooting; this award went to Kent Glendenning, who had 77.9%. The second award went to Bill Smith with 61.6%. We are very proud of all the boys. We surely had a wonderful team.

MR. and MRS. BELT

We are very thankful to have within our school two very fine Christian people as custodian and cook. They have been with us quite some time. We find them a very dear asset to our school. They have helped us in our many problems. Also, they have done a wonderful job in keeping our school house clean and very presentable. Through their long and toilsome hours they have spent cleaning-up after us each day, they always have a smile and a friendly word. We, the Senior Class, would like to take this opportunity to express our gratitude toward them.
