THE CENTRALIA

1953

Published by

The Senior Class of Perry Central School

Foreword

In the year of our Lord, 1953, once again the Centralia is being brought to the student body, their families, and the community, so that you, the people of the community, can see what has been done through the year of 1952-53. We hope you will enjoy this book as much as we enjoyed preparing it.

Dedication

To Our Parents:

We, the Class of 1953, are dedicating this, the yearbook of Perry Central High School, to our parents . . . to Mom and Dad. As we leave school where most of us have spent four wonderful years, we realize that our education is mostly because our parents stood behind us, correcting, complimenting, and helping us. We realize now that we owe them a great unpayable debt and so, to show our gratitude in a small way, we dedicate this book to the two most wonderful people — Mom and Dad!

The 1953 Centralia Staff was elected in the fall and all went to work immediately getting advertising and material together. Pictures were taken of ball games and activities, write-ups were prepared, and various duties were performed by the Staff throughout the year.

After a lot of hard work, we are presenting our annual, which we hope you will agree is the best Centralia in the history of Perry Central.

CLASS HISTORY

Starting out our long journey through twelve years of school, there were ten students seated in Mrs. Tackett's room. We were all very scared at first, but she straightened us out and we became used to going to school. Nine years later we entered high school with some new members added to our class and with several moved away.

Our freshman class consisted of ten pupils: five girls and five boys. We chose as our class officers: President, Kent Glendenning; Vice-President, Charles Bailey; Secretary and Treasurer, Jim Watson; and Sponsor, Mrs. Langjahr. We had our class parties and our first play, "Of All Things." We ordered our class sweaters which were brown and gold.

The Sophomore year we started with only eight pupils, losing two girls from last year, Sharlene Bennington and Pat Belt. Our class officers were: President, Tom Waggoner; Vice-President, Dorothy Bowen; Secretary and Treasurer, Dorothy Sanders; and Sponsor, Mrs. Langjahr. We ordered our class rings. Our class play was, "The Old Pinter Place."

Our junior year we had eight members, the same as last year. Our officers were: President, Tom Waggoner; Vice-President, Charles Bailey; Secretary and Treasurer, Dorothy Sanders; Assistant Secretary and Treasurer, Dorothy Bowen; and Sponsor, Mrs. Doyal. During the year we sold advertisements for the gymnasium scoreboard and were in charge of the concessions sold at the home basketball games. Our play was "That's The Ticket." We also had our Junior and Senior trip, six of us going to Washington, D. C.

All eight were back again starting our final year. Our activities consisted of working on our annual, selling ads, and working for our credits. We elected as our class officers: President, Tom Waggoner; Vice-President, Bill Daupert; Secretary and Treasurer, Dorothy Bowen; and Sponsor, Mr. Ratliff. Our Senior play, "Looks Like Rain," was held October 17. Our Junior and Senior Reception was April 16. The juniors took us to dinner and to see "South Pacific," which we enjoyed thoroughly.

CLASS WILL

We, the Senior Class of Fifty-three of Perry Central High School, County of Boone, State of Indiana, being of sound mind and memory, do hereby make, publish, and declare this our last will and testament in the manner and form following:

To the Freshmen we leave our ability to get along with the teachers.

To the Sophomores we leave Moonstones, for they are always in love.

To the Juniors we leave our ability to get along and to work in the kitchen.

To the future Seniors we leave tombstones, four years of this will kill anybody.

Charles Bailey wills his ability to drive to Wayne Glauber.

Dorothy Bowen wills her ability to get a diamond to her sister, Marylin.

Bill Daupert wills his ability to sit by his girl in study hall to anyone who thinks they can get along.

Carolyn Everett wills her ability to get Physics to Carolyn Smith.

Kent Glendenning wills his ability to make love to the girls to Aaron Everett.

Dorothy Sanders wills her ability to get along with her boy friend to Betty Starkey and Sue Turpin.

Tom Waggoner wills his ability to skip school to Lane Jensen.

Jim Watson wills his ability to sing to Horace Belcher.

CLASS PROPHECY

Well, here it is 1965. A little over 12 years since eight of the most intelligent Seniors, that ever graduated, left Perry Central High School. Dorothy and I, after being married for about eight years, decided to take a vacation from our husbands and our families. We decided to take a two weeks' vacation in California.

After being on the road for about two days, we had a little trouble with our car. We called a garage and the mechanic was none other than our old friend and classmate, Charles Bailey. After he fixed our car we continued on our way.

One night when we stopped to see a professional baseball game, whom did we see but Kent Glendenning, the star of the team. He invited us to his house to meet his wife and children. After a long chat we journeyed on our way.

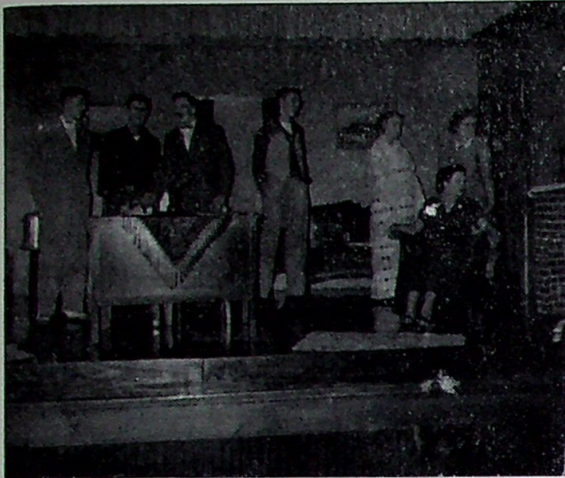

The next day we got into California. While driving to find a place to stay, we were hit by a truck and rushed to the nearest hospital. Whom should we meet in the hospital but Carolyn Everett. Carolyn was the head nurse of the hospital. After being released from the hospital we spent a few days with Carolyn and her husband. One night they took us to see an opera and guess who the star was, none other than our dear old friend, Jimmie Watson. After the magnificent performance we went back stage to talk to Jim, and we found that after all these years he wasn't married.

After a week's visit in California we started the long but welcome journey home. While driving in Arizona we decided to stop and see Bill Daupert, who owns a ranch there. Because we were well acquainted with Bill's wife, Jean, we decided to spend the night at the ranch. The next morning we started for home. When we got to Missouri we saw a stock car race. Whom do you think was driving car number 13? You guessed it, Tommy Waggoner! We thought he was going to break his neck but he finally won the race. We talked with him a while, and gave him some advice on how to save his neck a little longer. Then we again headed for home.

We arrived home safely and were very glad to see our families and husbands. Never again will we take a vacation by ourselves.
