Dedication

Because we are grateful to you as the classes in the past have also been . . .

Often in the future we will think of you as one of our dearest and loyal friends,

Lending us a helping hand when we needed it most.

Implicit faith in the Class of 57,

Valuable experiences was your greatest theme,

Endeavoring to guide us, without dominating us.

Caring for us like we were your own.

Ability to understand young people,

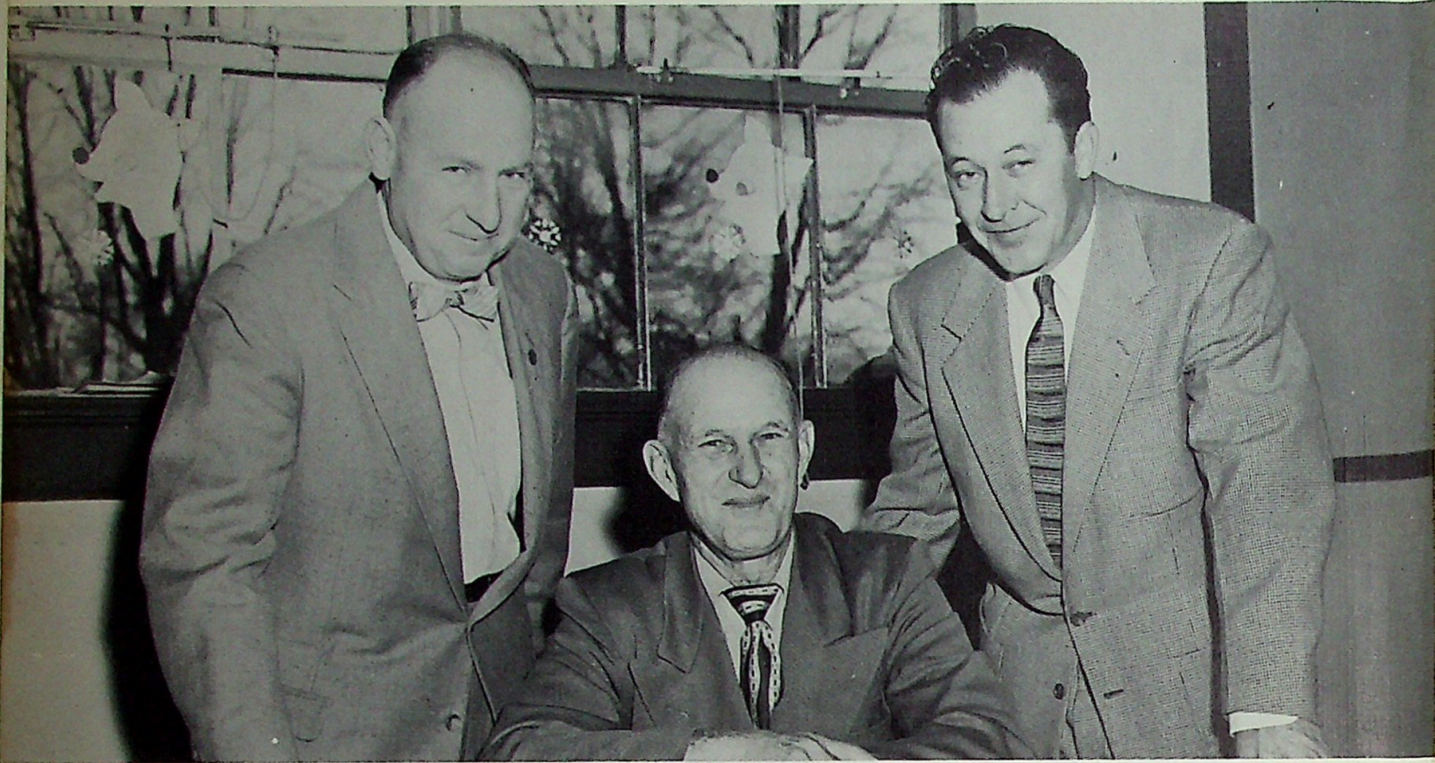

Somehow making us believe in ourselves.

Encouragement when we were deeply depressed.

Your relationship we have enjoyed in our four years together.

We the Class of 1957, do dedicate to you Mrs. Casey, our Panther Tracks.

Principal's Message

Again it is time to write a few words to you, the students of Whitestown School. I am deeply moved by the wonderful support given me by the staff and you, the student body, this past year. I hope that the future will be as worthwhile for you as you have made it for me in the past. As I have said in the past, I hope that our relationship will continue to be both an inspiration and a challenge to all of us here at Whitestown. You are the citizens of tomorrow. Your success is all the reward we shall expect.

Sincerely yours,
DONALD E. SMALL

Activities

SUNSHINE SOCIETY

In this picture is the entire Sunshine Society, the largest organization in our school. The Society was organized in December of 1927 by Mrs. Cecil Bennington and Mrs. Olive Casey. Mrs. Bennington was the first sponsor. The organization will have been formed 30 years this coming December.

D.A.R. and IDEAL SUNSHINE GIRL

We extend congratulations to Leona Shoemaker who has received this year two coveted honors offered to a Senior girl. First she was chosen by her classmates and endorsed by the faculty to represent our school in National D.A.R. Good citizen competition. The paper she submitted won first place in Boone County. The characteristics for selection were: dependability, service, leadership, and patriotism. Second, she was chosen by the members of the Sunshine Society as the Ideal Girl of 1957. This honor was conferred because of her pleasing personality, superior scholarship, democratic behavior, and cheerful cooperation.

In the above picture is the entire chorus group who meets once a week in Mrs. Casey's room. There are thirty-nine voices harmonizing beautifully to start the day right. Mrs. Casey is the director of the group.

We have a very small instrumental group this year with only three members. They are Bob Caldwell, Steve Beck, and Larry Hackett. The director is Mrs. Casey.

The Leggiero Group has only ten members this year. From left to right they are Mary Jo Powell, Sally Dullin, Joyce Le Galley, Diana Walker, Nadine Rader, Leona Shoemaker, Melba Shoemaker, Jeanne Thompson, Barbara Miller, and Verna Le Galley. They sing very beautifully with Mrs. Casey as director.

PANTHERETTS

We are proud of our cheering block. This is one of the youngest organizations in our school. We have forty members in the club, which is sponsored by Mrs. Brown.

Mrs. Martha Wharry supervises the girls' Physical Educational Activities. Many worthwhile activities make up their program, such as exercises to develop physical fitness, poise, and proper posture.

STUDENT MANAGERS

One of the more important activities in the field of athletics is the functioning of the student managers, who carry much of the burden for the coach and players. Much time is required of the student managers in taking care of the equipment, packing and cleaning, as well as seeing that all necessary equipment accompanies the team to all games. We want to thank these two boys for the wonderful work they have done. Tom Parks Junior and Larry Reynolds Freshman.
