FOREWORD

We, the class of 1961, wish to acknowledge the cooperation of the parents and teachers in their effort to give the pupils of Perry Central High School interest in their education and to make their school life a lasting and beautiful memory. We wish to express our appreciation to all of the Faculty and School Officials who have shown their interest in this class and their help in making all of our graduation activities a memory of great importance, and to the community for supporting this class.

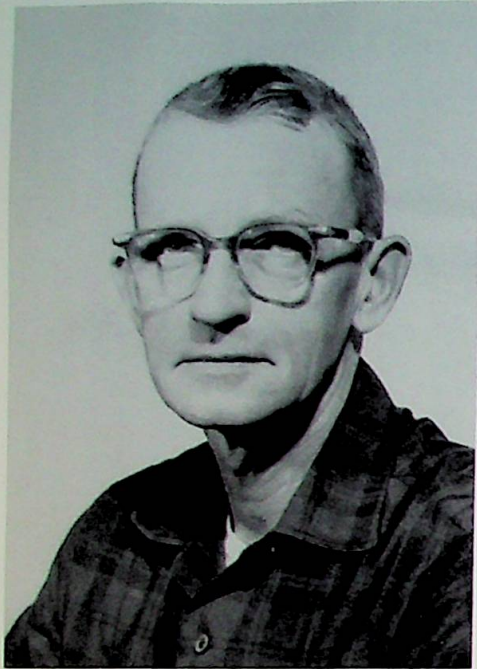

Most of us are blessed with wise parents.
Some of us are blessed with a wise teacher
A few of us are blessed with both.
We, the Class of 1961 are in the latter class.
To you, our parents, and to you Mrs. Carnahan,
This book is lovingly dedicated.

CLASS WILL

We the Senior Class of Perry Central High School, hoping that the end of our high school career has come, and being of unsound mind, do hereby make this our last will and testament.

We wish: First to declare our faith in the narrow-mindedness of the faculty in matters especially dear to the minds and hearts of Seniors. We realize, however they are handicapped in their administration by their removal from youth. Second: We desire our deeds be kept dear in the memories of all students of Perry Central High School. We think that the underclassmen could do worse than follow in our footsteps. Third: Since we shall have no use for these earthly scholastic possessions in our life in the outside world, we wish to make the following bequests:

To the Juniors we leave our ability to sell \$700 worth of annual ads.

To the Sophomores we leave our typing erasers and books.

To the Freshmen we leave four more years of hard work.

To the Eighth Grade we leave our ability to have the smallest class.

To the Seventh Grade we leave our ability to keep quiet in study hall.

Janet Anderson wills her cheerleading suit to David Boone and hopes he will put it to good use.

Nina Armstrong wills her books with wrong answers and old pencils to her sister, Rebecca.

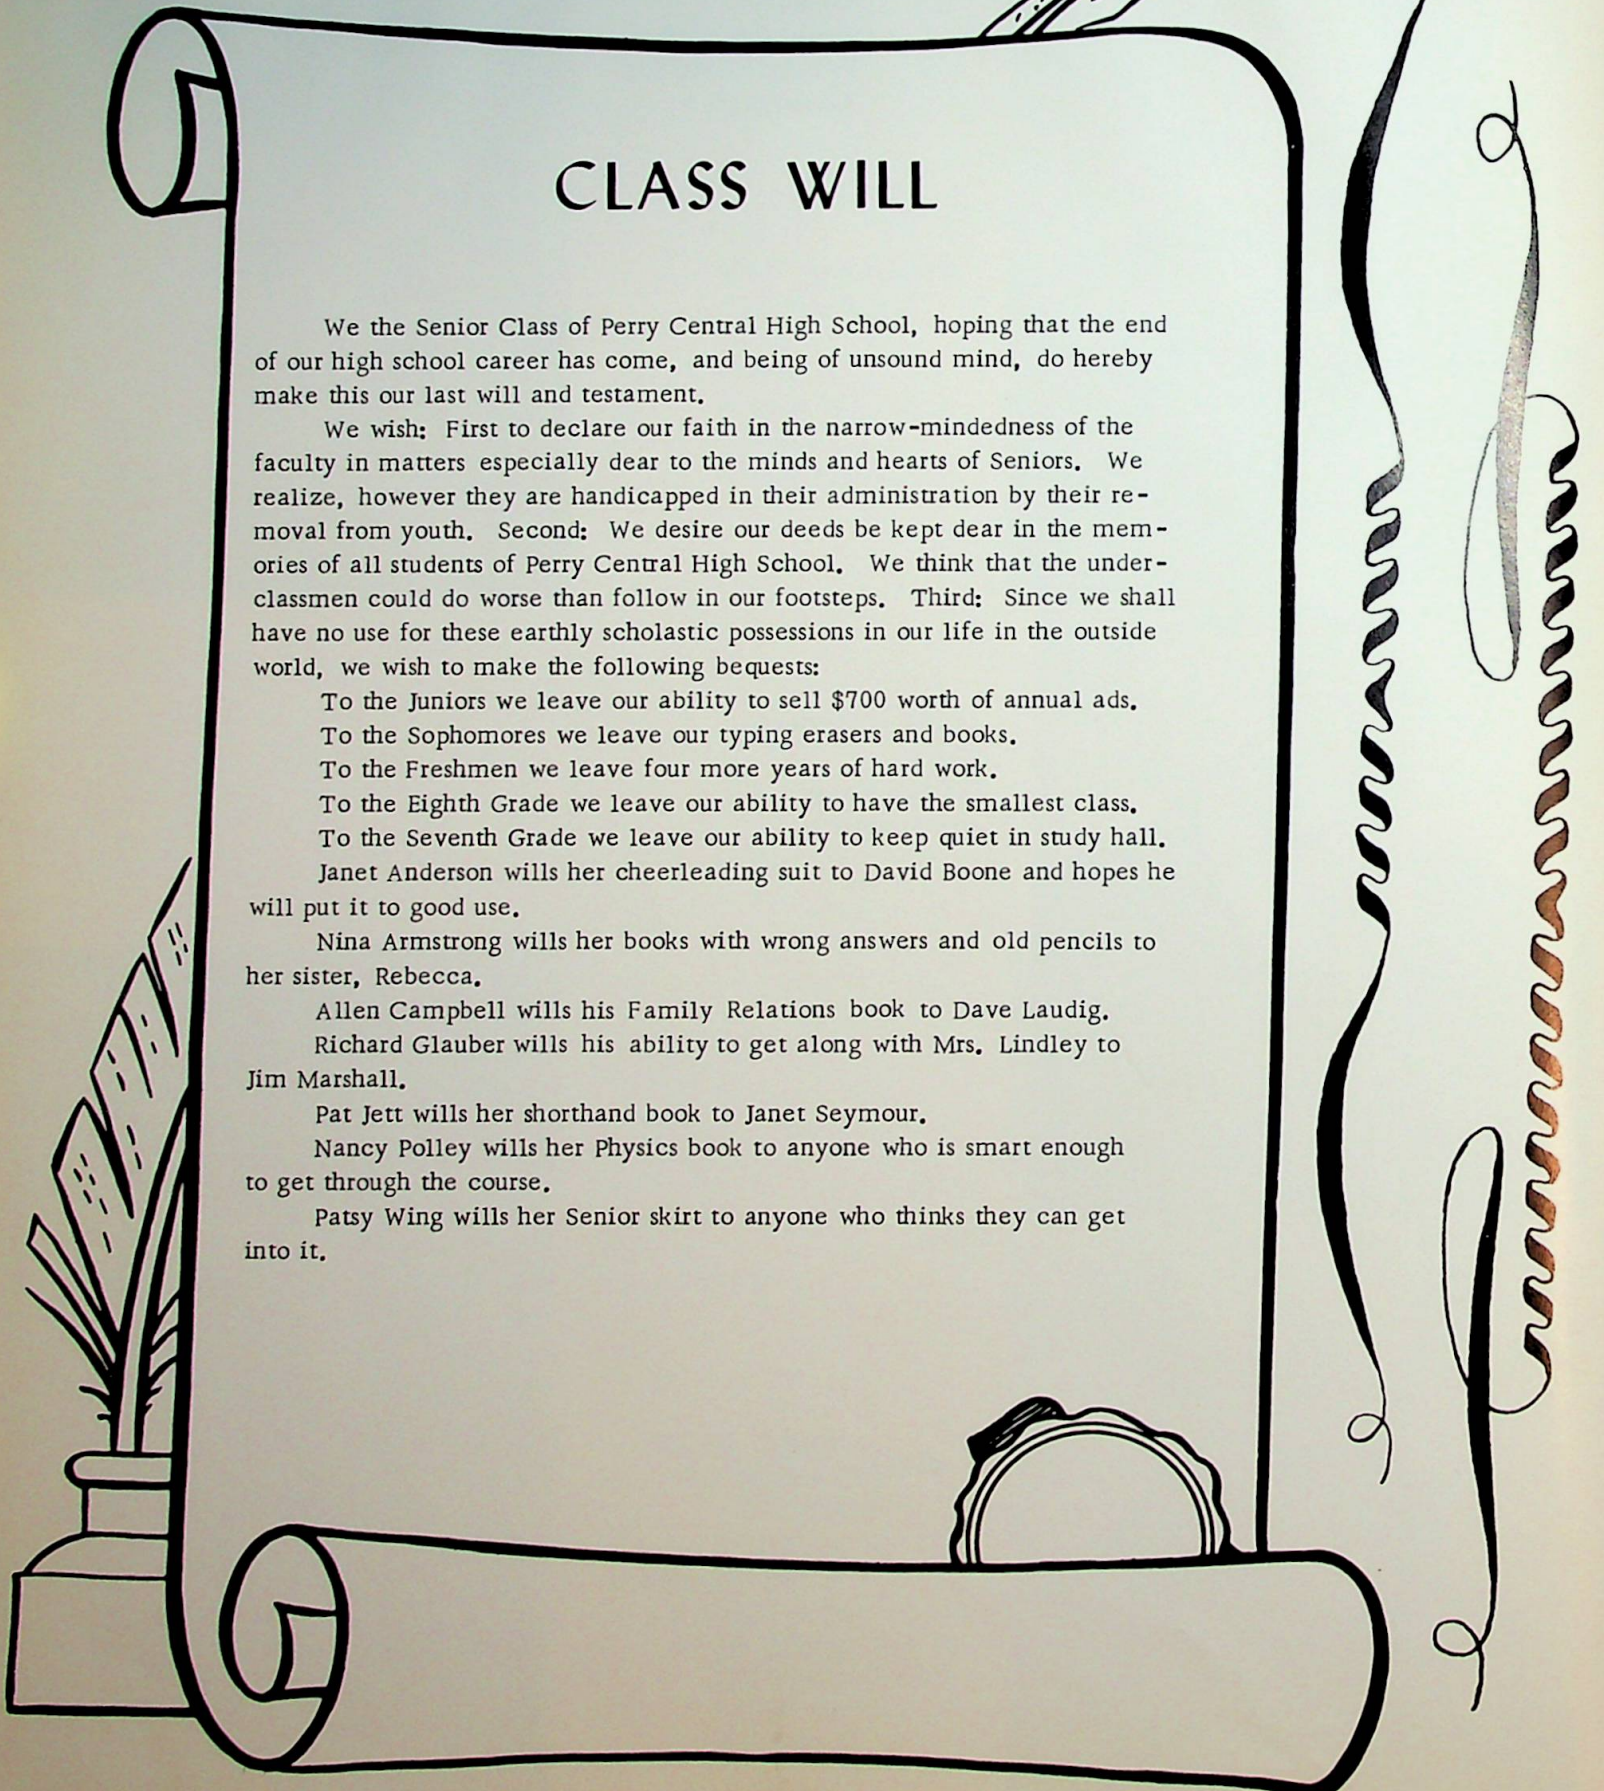

Allen Campbell wills his Family Relations book to Dave Laudig.

Richard Glauber wills his ability to get along with Mrs. Lindley to Jim Marshall.

Pat Jett wills her shorthand book to Janet Seymour.

Nancy Polley wills her Physics book to anyone who is smart enough to get through the course.

Patsy Wing wills her Senior skirt to anyone who thinks they can get into it.

CLASS HISTORY

In August, 1949, we, the class of 1961 began the quest for knowledge--the great venture of acquiring an education. Following the guidance and instruction of Mrs. Bernice Tackett, we who were just thirteen innocent little boys and girls survived our first year at Perry Central. Namely, we were Nina Armstrong, Teddy Bennington, Linda Bennington, Velma Enriquez, Charles Gleason, Jackie Giles, Richard Glauber, Leon Hendrickson, Nancy Polley, Mary Ann Robertson, Barbara Smiley, Wilma Willis, and Patsy Wing. In spite of having to spend much of our first year in the corner because of our talking, we managed somehow to find ourselves--one year later--in the second grade with the same teacher and one new student, Janet Anderson. As the years came and left us many of our friends moved away. Miss Serelda Smith was our third grade teacher. Our fourth grade teacher was Mr. Bennet Owens while our fifth grade teacher was Mr. John Plummer. We were transferred upstairs in the sixth grade. We felt very insecure but we managed somehow to get along with the older students.

In 1957, seven of us began our first year in high school at last--we were Freshmen at Perry Central. Our class included Jane Calvert, President; Richard Glauber, Vice President; Nancy Polley, Secretary; Janet Anderson, Treasurer; Patsy Wing, Nina Armstrong, and Wilma Willis. Barbara Wyatt joined our class at the end of the year. We elected Mrs. Carnahan as our class sponsor. Choosing our class sweaters was a very big decision for us to make. After much discussion we chose navy blue sweaters with a white 3D letter trimmed in navy blue. At the end of our Freshmen year we ordered our class rings. We also gave a class play entitled "A Girl In Every Port." This was the only play we could find with a cast of eight girls and one boy but we thought it was terrific!

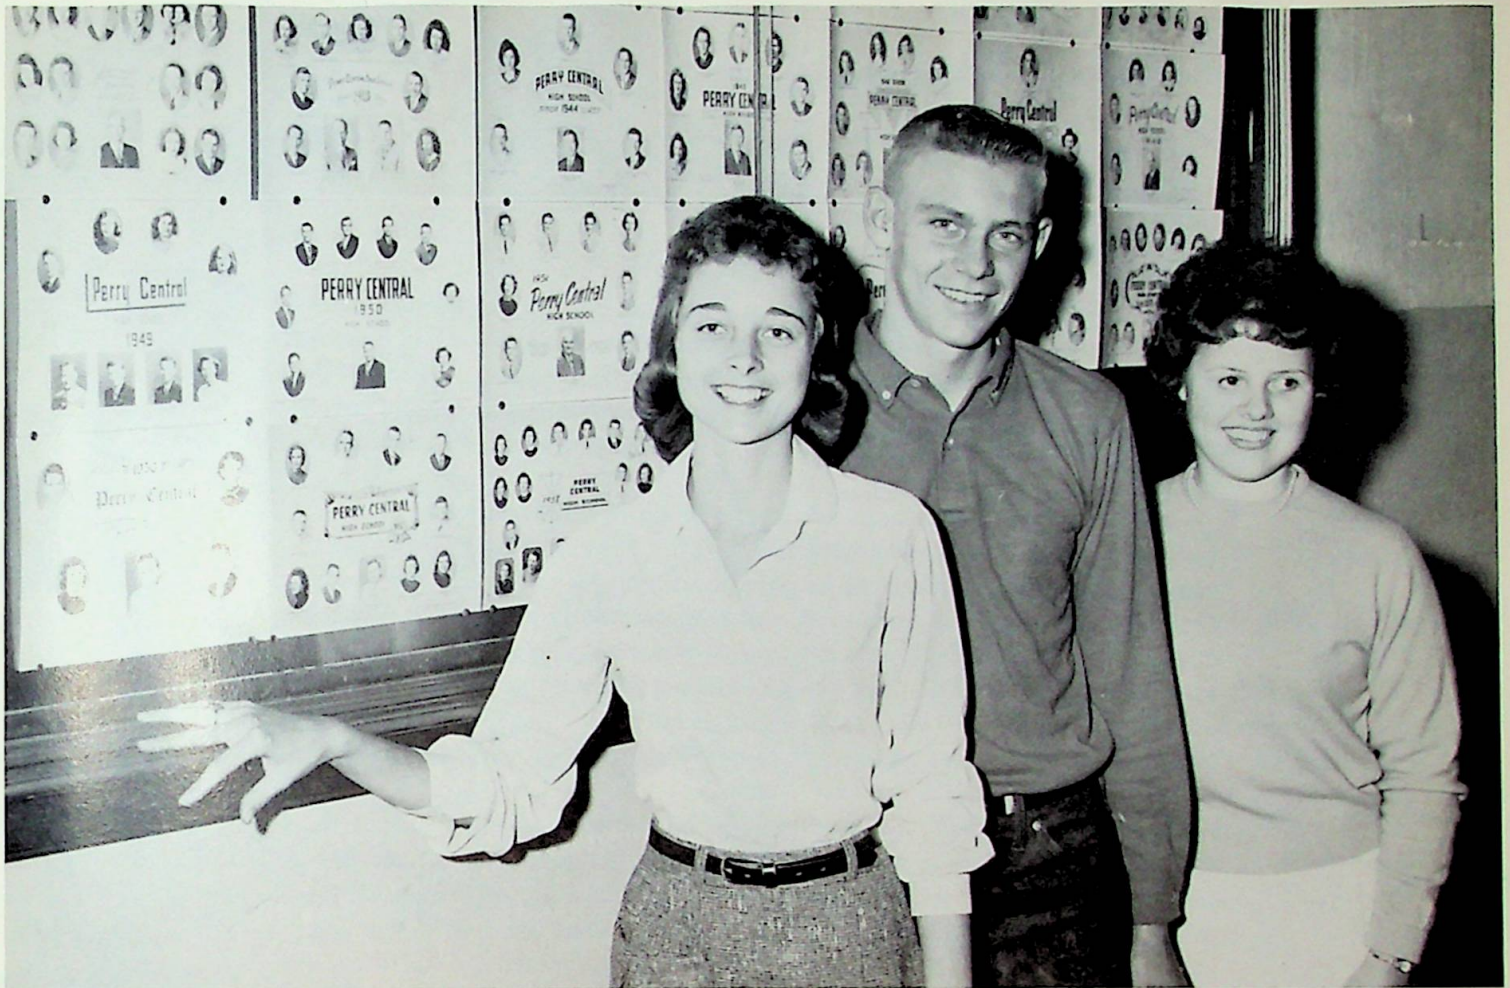

In our Sophomore year Jane Calvert and Nina Armstrong left us but Pat Jett joined our class. We chose Mr. Gabbard for our sponsor and elected the following officers: Patsy Wing, President; Richard Glauber, Vice President; Nancy Polley, Secretary; and Janet Anderson, Treasurer. This year we were in charge of the school paper which we named "The Midget Star."

In our Junior year we selected Mrs. Carnahan as our sponsor and the following officers: Janet Anderson, President; Richard Glauber, Vice President; and Pat Jeff, Secretary-Treasurer. Nina returned from Pinnell High School and Allen Campbell entered from Ben Davis High School. This was our big money-raising year! We found ourselves almost bogged down with activities. We did everything we could think of to raise money for our Junior-Senior trip. Our play given with the cooperation of the Seniors and under the direction of Mrs. Carnahan--was a mystery entitled MIDNIGHT SON. We thought it was a big success.

This was also the year we were privileged to join the Pi Delta Kappa. This gave us a chance to participate in the various select school programs and also have a few special activities of our own. Our banquet was held in May at the Town and Country. This was in honor of the Seniors and everyone enjoyed it immensely. Another highlight of this year was our second banquet--strictly for the Juniors. This dinner was given by Mr. Oliver and Mrs. Carnahan in our honor because we had sold over \$500 worth of magazines.

This year, our Senior year, is the final and most important of all. Our class officers are: Richard Glauber, President; Nina Armstrong, Vice President; Patsy Wing, Secretary; and Janet Anderson, Treasurer. Mr. Oliver is our sponsor. Looking and feeling pretty sharp in our Senior skirts (and cords) we are now looking forward to our Junior-Senior trip to Washington D. C. and New York. But most of all we are looking forward to that day of all days-- the day of graduation.

CLASS PROPHECY

One day in June of 1968, I was attending an Airlines Stewardess convention held at Weir Cook Airport, in Indianapolis, Indiana. I had been employed there since graduating from Perry Central High School. When I went into the dining room for lunch, I found, much to my surprise, an old school-mate Nina Armstrong, seated next to me. She was down from Chicago attending the same convention.

I was so glad to see her. We had so much to tell each other. Just last week on my last flight to Cincinnati, Ohio I saw a rather small man coming up the gang plank. As he came nearer he looked at me and smiled. I hadn't seen him since graduation, but I immediately recognized Richard Glauber. He hadn't changed a bit except to get a little heavier. He was on a business trip for his ranch boss in Arizona. He said he had stopped the night before at a motel and met another school mate. None other than Janet and her husband. Janet told him that they were on their way to California to visit some relatives.

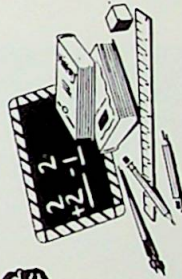

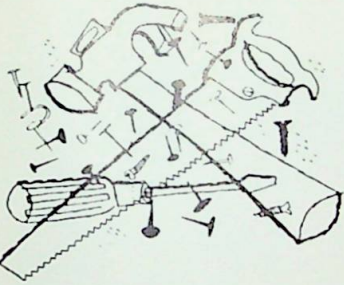

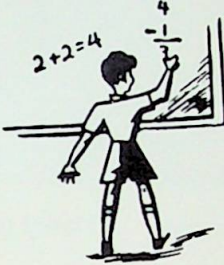

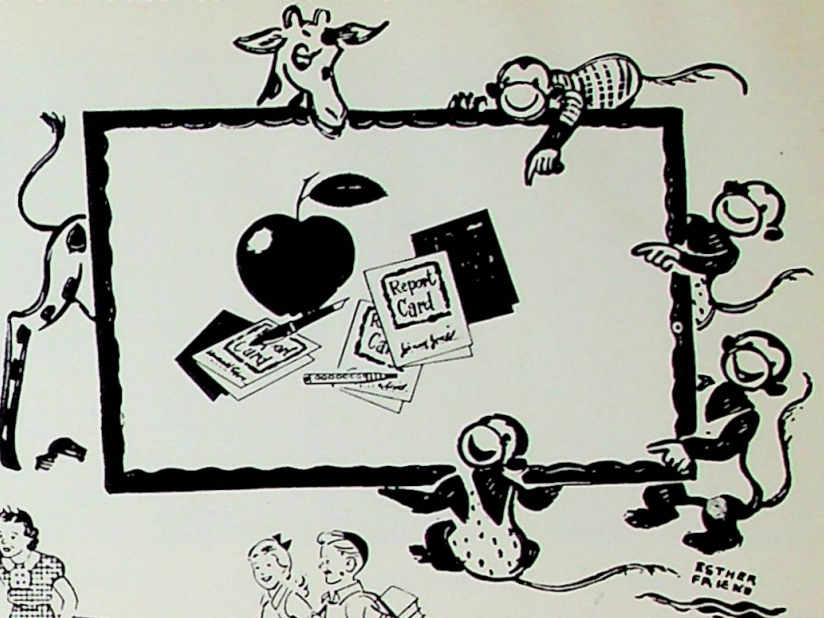

Nina began telling me about a man she met at the airport in Florida. She said he walked up to her and started talking fast and trying to sell her some life insurance. As their eyes met she recognized him as Allen Campbell. He told Nina of eating at a fine restaurant somewhere in Texas and meeting Nancy Polley who said she and her husband owned and operated the place. She had graduated from Purdue as a home economist two years ago and had met her husband while going there to school.

I then told her of the time I went shopping in New York. I went into an exclusive dress shop. The owner was browsing around through the shop to see that things were going to please her. I watched her for a while and then the lady looked at me and came running over to greet me. It was Pat Jett looking very stunning in one of her own dress creations.

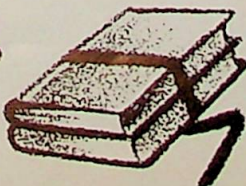

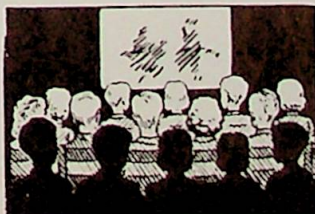

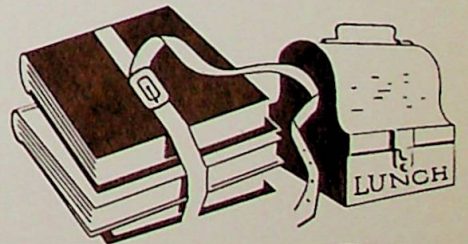

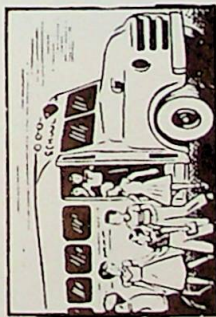

We girls decided we had chosen an exciting career but hope some day to get married and settle down to our own home and family.

(Bob standing in the office, First month of school)
Elaine C.--Bob, what are you waiting on?
Bob A.--Christmas!

If you think you are beaten, you are.
If you think you dare not, you won't.
If you'd like to win, but think you can't,
It's almost a cinch you won't.
If you think you'll lose, you're lost,
For out of the world we find
Success begins with a fellow's will;
It's all in the state of mind.

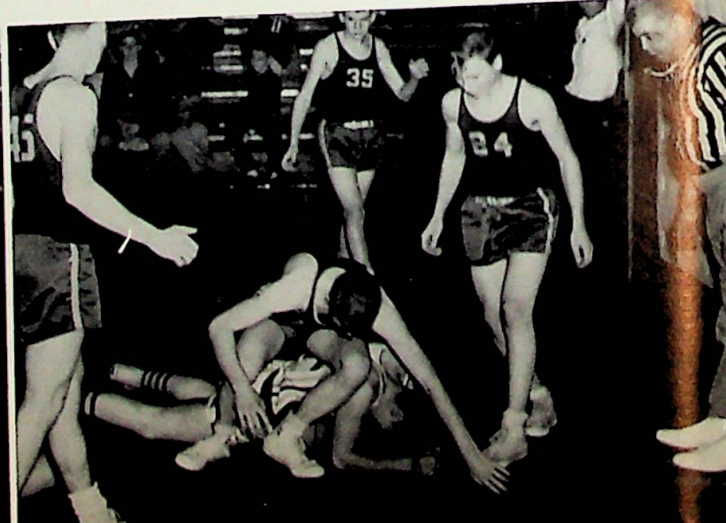

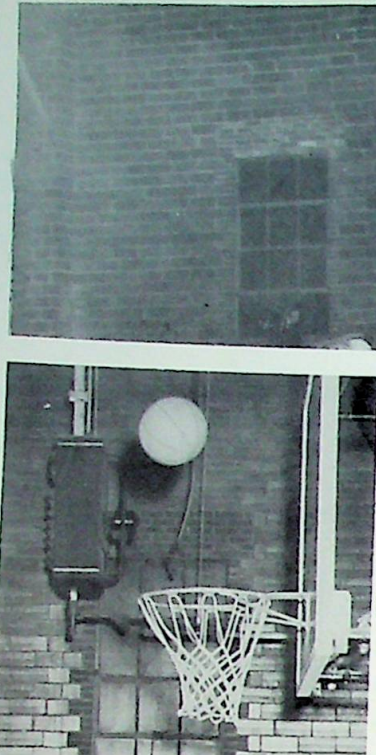

Richard D. sitting with feet in aisle and industriously chewing gum, was studying.
Mrs. Lindley, Richard take that gum out of your mouth, and put your feet in.
