OUR SCHOOL

The Centralian is being brought to the fellow students and the people of Perry Township. This is our way of saying we are thankful to the students, faculty, parents, and friends for the friendship, guidance, cooperation, and support in helping to make our high school days a success and a happy memory. We also wish to thank everyone, including the merchants of the area, who made this annual possible. We sincerely hope you will enjoy this annual, and may it be in remembrance of our accomplishments of four years at Perry Central High School.

CLASS HISTORY

Twas on September 6, 1951 that 13 boys and girls started to school under Mrs. Bernice Tackett. They were Marlene Burgin, Frank Bymaster, Beverly Cody, Richard Dickerson, Norma Harris, Thomas Jones, Max Johnson, Larry Leap, Janet Polley, Janet Regan, Johnny Sullivan, Ken Washburn, Harry Willis.

Our teacher in the second grade was Jessie Crusius. Our teacher in the third and fourth was John R. Plumber. In the fifth and sixth grade was Richard Adams.

In the seventh grade we moved to the top floor and it was quite a change. Our class was Marlene Burgin, Frank Bymaster, Richard Dickerson, Kristi Emmons, Janet Polley, Janet Regan, Irene Saunders, Susan Stafford, Ken Washburn, Harry Willis.

We had rapid growth in the eighth grade when Russell Bradley, Glenn and Gilbert Dean, Frank Spears joined us.

In the ninth grade Janet and Steve Seymour moved in. Frank Spears, Glenn and Gilbert Dean, Irene Saunders moved out. We also got out our class sweaters that year. Our sponsor that year was John Kanouse. Our officers were Janet Seymour PRESIDENT, Marlene Burgin VICE PRESIDENT, Susan Stafford TREASURER, Janet Polley SECRETARY.

In the tenth grade we got out class rings when our sponsor was Mr. Richard Lindamood. Bill Sloan left our class at the end of his sophomore year. During this year Richard Thompson reentered school as a member of our class. Janet Seymour PRESIDENT, Richard Dickerson VICE PRESIDENT, Susan Stafford SECRETARY & TREASURER.

The eleventh year was full of special events. We sold candy, magazines, Christmas cards to go on a trip to Chicago. We went along with the sophomores and freshman. We had the time of our life. And I doubt that any of us will soon forget it. We also gave a play with the seniors called "Man Oferboard". Which was a success. We were initiated into the Pi Delta Kappa in September this year. Ken Bailey came into our class from Clinton Prairie. Our sponsor was James Gabbard. Our officers were Richard Dickerson PRESIDENT, Janet Polley VICE PRESIDENT, Susan Stafford SECRETARY, Marlene Burgin TREASURER.

Our Senior year represented the highest point of our school life. We gave for our class play "Sweetheart of U Baki Pi". Another major project was the publishing of our annual, Centralian. Class officers were Ken Bailey PRESIDENT, Steve Seymour VICE PRESIDENT, Marlene burgin SECRETARY, Richard Dickerson, TREASURER. Class Sponsor, Mr. Arthur Oliver, Principle.

We soon will be leaving the halls of Perry Central but we will be proud to say we are gradutes of Perry Central High School.

CLASS PROPHECY

In June 1973, I went to Danners Dime Store to place my application for a job. As I passed the managers office, I happened to notice that Russell Bradley an old classmate, was at the desk, As I looked further, I saw that Marlene Burgin was his secretary.

When I went in to visit and to talk to them, I noticed the accountant looked very familiar. Russell introduced me to her and it was none other than Susan Stafford, another of my classmates.

After I found there were no vacancies, I drove down the street a little way, and discovered I had a flat tire. When I called a service station, the man said that he would be there right waay. When he came, I recognized him as being Richard Dickerson. As soon as my tire was fixed I drove on.

Then suddenly I was hit on both sides by two large trucks the drivers of which failed to look where they were going. When I talked to them I found that they were none other that Richard Thompson and Frank Bymaster, two of my former classmates.

My next stop was at my sisters house, Janet Seymour. Her high school girl friend, Janet Polley, joined us here for dinner. Both were married and had three children each. After dinner I had to leave. I noticed that I needed gas, so I drove into the next filling station. I was surprised to see Ken Bailey, another classmate. He told me that he had owned the station for four years. He said that he had heard, that Ken Washburn was now living in the nearby town and had bought a large department store,

As I drove back home **it** was nice to know that the whole class was doing so well for themselves in life and that they were all just fine.
